RE: Application of Carolina Water Service, Inc. for adjustment of Rates and Charges and  
Modification of Certain Terms and Conditions for the Provision of Water and Sewer  
Service

DOCKET NO.: 2011-47-WS

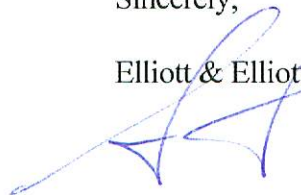

Dear Ms. Boyd:

During the hearing in the above the Commission requested that the Applicant provide a late filed hearing exhibit 35 setting out the basis of the meter fee of \$50 charged certain of the Applicant's customers. The meter fee was identified in the Applicant's response to data request #4.4 provided the Office of Regulatory Staff during litigation. The Applicant herewith confirms that only the three individuals identified in its response to data request #4.4 have been charged and paid the meter set fee. The basis of the meter set fee cannot be found in the Applicant's current tariff. The Applicant is informed and believes that the basis for the fee was to recover the cost of equipment such as a meter. Please accept this correspondence as the late filed exhibit requested.

If the Commission or counsel has questions, I would be happy to answer them. I am serving all parties of record with a copy of this correspondence electronically.

Sincerely,

Elliott & Elliott, P.A.
